Invitation

AVATAR MEHER BABA

“Attend to all your duties; you can still love Baba by dedicating all your good and bad to me. Just as you cover your body with clothes and forget all about the dress you wear all day, similarly dress your soul only once in a day with thoughts of Baba, and Baba will then be all the time with you, even without your paying any further attention.”

-Avatar Meher Baba

Everyone commits mistakes unless one is perfect and one with God, but love for Baba wipes away the mistakes. We must remember that God is all Truth, all Beauty. And in our love for God, for Baba, we must be one hundred percent honest. Purity, honesty and love; God wants these three things.

-Avatar Meher Baba
